### **Thé vert - Jasmin**

Among China's most celebrated flower tea compositions, this jasmine tea provides a beautiful balance between a full-bodied green tea and the white flower's sweet and delicate fragrance.

### **HN Vanilla Chai**

The Chai is a really good winter warmer with vanilla and black tea, ginger, liquorice root, black pepper and cardamom.

### **Rose China**

Green tea with a delicate floral hint of rose – like Turkish delight in a cup. Grassy and floral, our Rose China Green Tea is the Silk Road meets an English garden.

### **Hongqing Green**

The classic Chinese green tea – green, pale and very interesting. With notes of sweet honey, chestnut and roasted greens.

### **Thirst Quencher**

A super refreshing green tea with lemongrass and a hint of pineapple. This is a fruity, energising and rehydrating combination.

### **Warm Hug**

A chill-busting blend of fruit and botanicals to warm you up, even on the coldest of days. Warm Hug contains a healthy dose of Vitamin C, fruits and flowers to stoke the fire within you

### **Ginger Chocolate**

A cheeky, indulgent cuppa with warm ginger and creamy chocolate on a rooibos base. With only the tiniest smidgen of natural caffeine from the cocoa beans.
