FOODMARKET HAMPER

Our 2020 food hampers hold everything from Jingle Balls (white chocolate truffles infused with gin and lemon) to Naughty Nibbles (sorry, Santa), panettone (four kinds, all made in Italy) to pistachios (cocoa dusted, of course). Whether your recipient is sweet or salty, we think you'll find something to fill them with Christmas cheer.

FESTIVE FEAST HAMPER

£1800

Festive Feast is the largest and most luxurious hamper Harvey Nichols has ever created.

Last year it contained a record-breaking 44 items, but 2020's version features a staggering 158 different items – it's practically the whole Foodmarket.

There's something for every course and from every corner of the globe.

Expect a well-stocked bar running the gamut from gin and tonic to mulled wine to Premier Cru Champagne and everything in between; festive spices galore; Christmas preserves, saucy condiments, naughty nibbles, hot drinks to warm up cold days, chocolate truffles and sweets; plus cakes, panettone, Christmas pudding and Florentines.

Limited editions, small batches, exclusives, classic and contemporary; it's all here, including Go Crackers – our brand-new Christmas crackers that'll make your party go off with a Harvey Nichols bang.

So, let the ultimate feast begin.
Happy holidays one and all.
