## INTRODUCTION

At Harvey Nichols we love drinks. And we wager you love them too. The list below is our inspiration for the coming months, reflecting our own tastes and flavours. It includes both timeless classics made with the best ingredients and signature serves created by our knowledgeable, stylish, handsome, and most importantly, humble bar team.

If you don't find the perfect drink then we're happy to make your favourite cocktail (exactly the way you like it of course, even blended drinks... if we must!) or suggest a drink 'off-piste' that would suit you even better than that new pair of shoes you have your eye on!

So, with that in mind...

Could we get you a drink?
